Dear Guests,

We are very pleased to welcome you to Hotel Square Louvois.

As part of the period of health emergency related to Covid 19, we are dedicated to make your stay enjoyable and ensure your health safety. You will find our action plan below.

Our team is available for any question, comment or need ; do not hesitate to refer to them.

In all area, please respect the obligation of wearing a mask.

We rely on you to respect the barrier gestures within the hotel for the well-being of all. Wash your hands, sneez and cough in your elbow, use a disposable tissue, greet contactless.

An employee is responsible for the cleaning and disinfection of common areas throughout the day.

All of our staff take special care in the cleaning and disinfection of all points of contact.

We use surfactants and virucidal agents that meet health standards.

We prioritise autonomus work to limit the risk of contagion.

All working processes have been rethought as part of the battle against the spread of the virus.

Materialized queues are available in all places that may be required.

Ground stickers have been placed to allow you to comply with physical distance measure.

A plexiglas is placed at the front desk. Prioritise contact with reception that is always there to help.

As a reminder, we inform you that a vaccination pass will be requested on arrival for each guest from 16 years old and for teenagers between 12 and 15 years old a health pass is enough.

As far as possible use the lift to go up and the stairs to go down. Please use the elevator only with people travelling with you.

Use your room key to select your floor.

Prioritise credit card payments at each point of sales.

We disinfect the terminal before each use.

Use the drop-off buckets available to exchange documents with our team.

Hydroalcoholic gel is available at the entrance of the hotel.

Thermometres are available at reception upon request.

Our staff has received specific training and equipment to protect themselves and yourself.

If one of our employees has symptoms, he does not come to work.

If symptoms appear during the course of your trip or during your hotel stay, immediately inform the hotel, contact your gp and respect self isolation in your room while waiting for a test result. In case of severe symptoms call 15 or ask for help by dialing 9.

We use surfactants and virucidal agents that meet health standards.

You can find a lot of informations on your television screen and the reception is available to assist you.

Specific measures have been put in place to welcome you for breakfast.

The Wellness area is open from 10:00 am to 10:00 pm.

A valid health pass is mandatory to access the wellness area.

Wearing a mask and swimsuite is mandatory. However, to ensure a quality experience, access is limited to 2 bedrooms at a time.

We encourage you to use the bahroom in your room. The toilets in the lobby will be opened on request at reception.
