CHAMONIX

OUR SERVICES AND FACILITIES

Laundry

A laundry service (washing machine and dryer) is at your disposal on level -1. There is a fee for this service. You can purchase tokens at the front desk.

Ski-room

The ski room is located on level -1. You can store your skis and boots in your heated private locker.

Cleaning

The end of stay cleaning is included in your rental. A mid-stay cleaning service is included for stays of 5 nights or more. Please check house rules on the back of the door in your apartment.

Cleaning equipment

A vacuum cleaner is available on request, a broom and mop with bucket are at your disposal in the laundry room at level -1. We kindly ask you to return them in its place after use.

Garbage

Recycling bins are available on level -2, garage level.

Please respect the sorting rules:

Yellow bin: paper, cardboard, plastic.

Green bin: glass.

Grey bin: household waste.

Car park

Each apartment has a space allocated to the underground garage. It is located on level -2. Parking space in our underground garage is available only if your car does not exceed heights of 2,05m. Electric charging stations are available to charge your cars.

Coffee and tea welcome kit

A welcome kit is offered upon arrival. We propose you to buy these products in our grocery store, if you need more stock.

OUR SERVICES AND FACILITIES

TV

Video on demand services is available on your tv.

WI-FI

Free Wi-Fi internet access is available in all apartments.

Wi-fi password: bellamy74

Skylight window

Please open the skylighted window with the pole.

Locate the fastener on the skylight. Press gently up on the skylight. Flip the handle lever to unlock the window. Press up and latch the skylight open to preferred width.

Please do not forget to close the skylighted window when it rains and before you leave the apartment.

The store can be controlled with the automatic button situated the right-hand side of you bed.

Safety deposit box

For your money, securities and other valuables there is a safe at your disposal in your apartment. Instructions are on the safe itself. The hotel is not responsible for the money or valuables left in the room.

Arcade games

The stop switch is located behind the machine on the right (useful to turn it off when the bed in the living room is used). To return to the Menu, simultaneously hold the **START** and **CREDIT/COIN** buttons of the **PLAYER 1** for 3 seconds.

Volume Adjustment: you can adjust the volume using the outside potentiometer located in the centre at the front of the panel.
